

In my senior year I was a senior at Weston Public High School, and I was fortunate enough to receive a scholarship from the Women's Community League of Weston. This scholarship allowed me to pursue college and take a bit of the burden away from my parents and from me, financially. I graduated from high school in 2013 and then went to Wheelock College. From there I transferred out and moved to Columbus, Ohio to attend Mount Carmel College of Nursing. I finished nursing school in 2018 and went on to pass my nursing boards. This scholarship that I received years ago has allowed me to get through 5 years of college without tremendously worrying about how I would pay my tuition. From the bottom of my heart, thank you to the Women's Community League of Weston for their generosity.
